Dear Clients,

We are writing with our deepest regrets to inform you that Steve Ross died suddenly at his house in Old Lyme, CT on March 3rd. Paramedics believe he suffered a fatal cardiac event. A memorial service is being planned and we will let you know the details as soon as they are available.

We know many of you worked closely with Steve for years, and viewed him not only as a trusted colleague but also as a friend. Rest assured that RJA's work on your behalf will continue at the highest level. Our work has always been a team effort and we do not expect any impact on that performance.

We look forward to the opportunity to speak with you directly or sit down with you in person to go over our plans moving forward.

We are grateful to Steve for his friendship, his incredible insights, and the foundation he has provided for this firm. We know his impact will be long lasting.

Sincerely,

Rick Antle, Principal
